

Section - 03

Raw Data Sheet

Dry Run

Student Name: Michael Liebel

Team members:

1.- Michael Liebel

2.- _____

3.- _____

4.- _____

Instructor: Michael Liebel

Vector Addition of Forces

Follow the instructions in the **Experimentally** part of section 1.0.2 of the lab manual, and record your measurements for both the angle and the mass of the third string on the following table.

Case	θ (degrees)	mass (g)
1	205°	150g
2	205°	70g
3	348°	220g
